To a home that's free from sorrow,
Where the spirit knows nectate,
There where never comes the morrow. hes, we'll know each other there

With Joy the Angels there will meet us, And shall take us by the hand, And our long lost friends shall greet us, In that glorious happy laud

Tes with lo ful heart- and faces, They will meet to and to share, All the joys that Heaven embraces, bor we'll know each other there

Our care worn souls will there rejuice, Our heavy hearts grow light, For we'll hear the Angel's voice And behold their face- bright.

Oh' h w blessed housed in Heaven, Saved from strife, from death and wee, Oh what joy will then be given, I cour long lost friends to know.

What a meeting that will be, When we meet around the Throne, where our Pather's face we'll see, And no more go out from hor INDIAN CHEEK, KAQ

Picked Up.

portunity to inform you that I am of the ingredients and the mode of preparation.

*Daddy, that is, I suppose I am, for Abbic has got a nice fat baby, and we hope these few lines will find you enjoying the same great blessings.

Now this is to be strictly a business letter. Firstly, as I said before, of 16 Years' Experience. made upfaces. Nextly, I have swap-ped away old Buckskin, and think I have got a pretty nice horse; it is a little girl and weighs nine pounds (I mean the baby,) and is just as lat as butter, and has got a good strong pair of lungs; she is red and got a bobtail (the thorse I mean), and a [From the Largest Mannfacturing Chemists white stripe in her face, and is a good driver; she has got blue eyes and a dimple in her chin (I mean the baby now), and just the prettiest mouth that ever was (of course), and judging from her teeth I should think the was should have said the man acquainted with Mr. II. T. Heamouth that ever was (of course), and judging from her teeth I should think the was should have said the was should be made to the should think the was should be made to the should think the was should be made to the should think the was should be made to the should the was should be made to the should think the was should be made to the should think the was should be made to the should the was should be made to the should the was should be made to the should the sh she was about six years old (I mean, the horse now:) she is sound, smooth and kind (I mean the horse or baby either now), and the doctor says she is the fairest he ever saw, without any exception (he means the baby). I got 25 dollars to boot, not in the baby scrape, tho', for the boot was on the other foot, and two or three sizes larger as new as I can find out. I am going to harness the horse now, and go after mother; she was born last Helmbold's Fluid Extract Buchu

balnes never die. She talks through her doze (nese), as she takes snuff (the nust I mixin now).

There I've been reading this over, and I see plainly that I ain't fit to write. The amount of it is, I am flustrated: I am daddy, and that accounts for it, so you must excuse me counts for it, so you must excuse me

and if she don't have any bad lnck

balnes never die. She talks through

Sleepy.

We know a minister says an exchange, who was generally able to keep his congregation wide-awake, but who on one occasion—it was a sultry summer day—observed numbers of them asleep. He resolved to nip the evil practice in the bud! to nip the evil practice in the bud! So taking a good survey of the scene before and around him, he exclaimed: "I saw an advertiement last week of Use Helmbold's Fluid Extract think I could supply at least fifty, and recomend them as good and sound." It is perhaps needless to add, that the supply instantly vaniong standing. It is pleasant in taste and odor, "immediate" in action, and more strengthening than any of the preparations

It is said that the largest freight or Bark or Iro train that ever went into St. Lonis on either of the railroads centering in that city, arrived there one day last week over the Iron Mountain railroad. This monster train consisted of one hundred and three cars, heavily loaded with iron ore, and was drawn with apparent ease by and mental powers. one large engine of immense power.

Patrick," said a priest to an Irishman, "how much hay did you steal?" "Well," replied Pat, "I and I are going to take the rest the first dark night."

A farmer living near Dixon, Solana county, California, has a cat which recently gave birth to six kittens, five of which are ligamented together, a la Siamese twins. They are growing finely.

----AT A rainy day is "damp." but when a young lady refuses to marry you it is a "damper."

TA correspondent in Montana states that stock fatton and thrive on the wild bunch grass of that section all the year round, preferring it even in January to well cured hay, and the with fac shulle of my Chemical Warehouse, lished, situated on Walunt st. and signed the restriction of the cattle and horses keep slick and fat on it all the year round,

TO PHYSICIANS

NEW York, August 15th, 1868.
Allow me to call your attention to my

Preparation of Compound Extract Buchu.

The component parts are BUCHU LONG LEAF, CUBEBS, JANI PER BERRIES.

Mode of Preparation.—Buchu, in vacuo-Juniper Berries, by distillation, to form a fine gin. Cubebs extracted by displacement with spirits obtained from Juniper Ber-ries; very little sugar is used, and a small proportion of spirit. It is more palatable than any now in use.

We picked up a letter in the street, says an exchange, the other day, of which the following is a copy; excepting the addresses. The owner can have the original by calling at our office:

Dear Brotners, Sisters, Cousins, Aunts, Uncles, etc.:—I now take my seat and set down to take this opportunity to inform you that I am 'Daddy,' that is, I suppose I am, for
